

AGORA BACK-BOTTOM BARS (SA-G618B)

Fits Semi-Pro & Premier 6'6"x18'6" Goals

agora Back-bottom Bars are 100% rust-proof aerospace-grade aluminum. White powder-coated.

ASSEMBLY:

1. Attach pieces together as shown in illustration above.
2. Insert bolts through the holes located at the base of the goal. Connect Back-bottom bar to the bolts (Figure A).
3. Fasten nut by using wrench and allen wrench included (Figure B).
4. Attach other side of the bar by repeating step 2-3.
